## IV.(3) OTHER INFORMATION

The Company announced its results for the second fiscal quarter of 1996 on October 26, 1995. Revenue for the three and six month periods ended October 1, 1995 exceeded the levels for the corresponding periods in the prior fiscal year. However, operating results for the current periods were below the levels reported for the prior fiscal year due to a decline in gross margins and an increase in operating expenses attributable in part to the Company's acquisition of the Disks, Heads and Tapes Business of the Storage Business Unit of Digital Equipment Corporation, on October 3, 1994. On November 8, 1995, the Company announced a restructuring of its high capacity business, including the businesses acquired in the acquisition.
